for antoine.

ein friedliches, hastloses beschäftigt-sein.

in der schwebe zwischen tun und sich-ereignen-lassen.

allein sein – miteinander.

sich (einander) begegnen.

vielleicht scheint manchmal die zeit still zu stehen.

being occupied – in a peaceful way, without haste.

a balance between intervention and restraint, between doing and not doing.

being alone – with others, near to each other.

meeting yourself – and each other.

perhaps time seems to stand still sometimes.
