“I only went out for a walk, and finally concluded to stay out till sundown, for going out, I found, was really going in.”

john muir in his own words. a book of quotations. compiled and edited by peter browning, Lafayette, Cal. (USA) 2004

*we only went out for a walk, and realized that the nature within ourselves and the nature surrounding us as well as our societies are constantly in the midst of change and uncertainty.*

*we stayed out, and we saw: there is hope.*

a calm and peaceful activity.

This image displays a page of musical notation consisting of 12 staves. Each staff begins with a treble clef, followed by a key signature signature (one or two sharps or flats), and then a chord represented by a cluster of black dots on the staff lines. The chords are arranged in a grid-like pattern across the staves, with some staves containing multiple chords. The key signatures vary across the staves, including one flat, two sharps, and one sharp. The chords themselves are composed of various intervals, including triads and dyads, and are positioned at different points on the staff lines.
