do we still have time?

yes, there is *always* some time left:
hidden in the interstices

(antoine beuger)

let us become more and more silent

in silence
sadness easily finds a place

a place for us
to go further on

(eva-maria houben)

going on

- silently
- calmly
- unpretentiously
- humbly
- with tenderness
- patiently
- peacefully
- with sweetness

octaves apply only to the small notes (a kind of resonating sounds).
