twin composition maybe: indian summer.

For Arjen and Tamara.

sound – pause – sound – pause – sound – pause – and so on.

quiet, calm, without haste.

(bass) clarinet:

a soft, low sound.

string instrument:

soft, spectral – maybe a very high partial.

the track in strict continuity:

one player playing alone

for a while

two players playing precisely simultaneously

for a while

one player alone (the same one or the other one)

for a while

and so on?
