

anastassis philippakopoulos

piano piece

2013

the total duration of a tone which is below the fermata  could range approximately between the triple and the quintuple of its value

below the fermata  could be more than the quintuple

*poco rubato* sometimes half notes could last a little longer

right pedal (sustaining pedal): down  up 

the use of the left pedal (*una corda*) is not notated, but could be helpful

♩ app. 48

quasi legato
