

Kory Reeder

Summer Haven

for percussion ensemble

(2021)

General Considerations:

Open Duration

Any number of players (at least 3)

Always quiet

Perhaps performed only with your hands
Or the tips of your fingers

Players fill out their own key

Choosing their own sounds/instruments
All players need 5 instruments

The following should be represented at least once in the instrumentation:

Resonant metal
Wood
Membrane
Rubbed surface

In general

Very long, soft rolls

Very long pauses

Space to listen

Space to breathe

Often Long stretches of silence

In the stasis

One sound

Maybe two

In isolation

Occasionally Discretely

Many sounds in rapid succession

Read quickly

Daringly

With energy and motion

I imagine a clam lake

Fish occasionally surfacing

Although I'm not sure why
